You can use this plan at least two ways:

- (i) Read the passages on five separate days during the week, as allocated above. They should take about 10 minutes a day to read.
- (ii) Have a chunk of time at the weekend (or your rest day if it's during the week) to read the whole section for the week (In the Chapters' column). Give yourself about an hour to read the chapters for the week if you do this.
